

THE BEACH

It began in the summer of '82. That's when Lou Subashi opened up a hot dog cart on 75th Street beach in Sea Isle. Before you could spit out an order for -- "a dog with German mustard, ketchup, diced onions & a hint of kraut to taste," -- **the LouDog was born**. It quickly became more than just a local business, but instead a family, a community, a go to in Sea Isle and beyond. That cart stood until 2010. Because of your dedication & loyalty, we were able to expand our menu & open up two Lou Dogs locations.

Same great dogs, still on that famous roll...babe!
